Moon Active's "Coin Master" series has been translated into different languages due to its open source nature. Coin Master: Space Invaders has received a tiered rating of 4.8 out of 5 stars (out of 7 votes), with a user review stating that "Coin Master: Space Invaders is a great game, well worth the full price" while describing it as "The original coin master (with) a few twists". After releasing Coin Master in 2004, Moon Active has continued to release improved versions in different languages and formats.",

On August 8th, 2017 United Pixelworkers announced that they would be launching a Kickstarter campaign to raise funds for additional art assets and animations for the game. On September 15th, 2017 United Pixelworkers released their Kickstarter campaign page and began accepting pledges to help support development of this title. The goal is to raise \$50,000 USD by November 5th, 2017. The campaign was funded by over \$70,000 USD on November 5th, 2017.",

"I love this game because anyone can play it, anytime, anywhere. But I just don't quite understand how they are trying to make money. You have these extra lives you win from watching videos or playing other games, but they are not enough unless you spend your actual lives on them through in-app purchases or by downloading another game that requires real money. I would give this game five stars except for the fact that I feel like there's a lot of potential wasted on how they are trying to make money. Hopefully the developers will change their ways. I would love to give this game five stars because the graphics are good, and it is entertaining.",

As part of the "Coins & Curses Adventures" announcement on March 8, 2018 United Pixelworkers revealed that four new characters will be added to the game. The character and class types have not yet been announced, however they will be based off of a theme relating to real-world maps; these characters were introduced in-game on June 29th through the mobile version of Coin Master. One character was revealed each day until July 2nd when all four were revealed.",
