ROBLOX released a new website design on September 17, 2018 (9:00 AM). This update changed many things to help revamp the community and also for users. It includes a revamped chat, which is shown on the right. This update added many new features such as "Continuous Games" and "Better Chat". It also added badges for various events.

By far the easiest way is by subscribing to all of these YouTube creators . All of them are very active so you will be sure to receive whatever they offer in no time. The most important part is to always leave a comment if there is one available. This will help the YouTuber know that it was you who subscribed and make them send more robux fast. Using these generators is extremely simple and they can be done whenever you need to, at school, work or wherever you may be! Just make sure that you do it while staying safe as one should never give out their password or other personal information on the internet. With that being said, have fun and happy gaming!

In early 2016, Roblox released an update that removed the "Customize" section from the User Interface. This introduced a new UI, which can be viewed here: Roblox Main Page. The new UI has many features that were previously built into the program such as a Store and a Help area.

On November 7, 2017, Roblox released their first real let's play channel, but it only lasted a couple of months before Roblox cancelled its plans for let's play channels. It stars RandomPlayer as he plays a wide variety of games on ROBLOX, including many popular games such as Angry Birds and Zombieland.

Roblox gives players the option to purchase membership for High School, Middle School and Elementary years. Players can upgrade their account to a VIP member which gives them time to play online when not connected to school wifi, and playing in moderation on weekends after school. Memberships cost between \$9.99 USD (\$10 Note: this price has increased since August 2018 but was not posted until September 2018) for elementary students, \$12.99 USD (\$13 Note: this price has increased since August 2018 but was not posted until September 2018) for middle school students and \$17.
