In the United States, many parents have become concerned about this app's potential to be used by children to disclose personal information related to themselves or their families. There is also a concern that children will post videos of themselves dancing or engaging in other potentially dangerous activities without the knowledge or permission of their parents. This has led some to argue that it should not be allowed on the Apple App Store.",

At the end of 2021, Hot video launched a new update that added the mode "GIF" to Tiktok FYP. Unlike the previous version, GIF is a motion photo app while Tiktok FYP is a motion short video app. Unlike Tiktok FYP's 15 sec-long motion video, GIF can be created up to 6 seconds long and can be shared with friends on both social media accounts and through text messages. This allows users to record videos on their phone and then convert them into GIFs using the app. Users are also able to view and follow other people's GIFs without having to follow them on Instagram or Snapchat. The conversion is called "GIF View". Another benefit of this update is it allows users to create their GIFs directly into the app without having to download a separate application.",

Older accounts can still watch user-generated videos, however they can not create or share any of their own. They are instead limited to just viewing what other people are posting through the app's various features. TikTok is available for download on iOS and Android platforms. Released in Japan, the first version of "TikTok" was optimized for iOS devices. Subsequently, it was released worldwide as a non-Japanese version named "Tik".",

In September 2021, it was reported by Chinese state media Xinhua News Agency that a 17-year old girl in central China had killed herself after sharing several TikTok videos about her suicidal intentions with friends.
