Crashes by Tessa816 on 2014/08/11 20:36 All of a sudden three days ago, I can't play the app anymore without it crashing at some point during the round. I've deleted and reinstalled it and everything else that goes with that but nothing works... There are no updates or anything so I'm not sure what has happened...",

Some users have also criticized the game for not being as user friendly as other games. The developer justifies this by saying that they don't believe in making their game overly simplistic, but do plan to release more tutorials. It was also stated that the game does not include any missions or goals outside of getting coins and killing enemies. However, the developer states that he is working on adding goals into the future.",

Good but needs work by MadJoeDandy on 2016/02/16 14:50 Haven't played this in a while but seems like it hasn't been updated much since iOS 8 was introduced. There are a lot of ads but not the annoying adds found in some other games. I get that you need money to keep it running but includes really not necessary. The game is fun and it's OK. It's hard to get rid of those stupid ads though",
