Good game by Kiyaa on 2018/11/14 17:12 This game is fun and addictive and perfect for passing time but there are some glitches with the game. First off, when an item goes out of stock, you can spend hours or days trying to get back into the item. Secondly, the cheating needs to be fixed. You can see when someone has low health and attack them. They have the option to block you, but they can still win. There is nothing you can do about it. Third, the spells and potions aren't really useful. The spell usually only goes through to your opponent one time so that's pointless. The potions are also very expensive and don't really do much of anything for you. Lastly, I would like it if there were some way to get more coins because when there are special items that cost 1000 or more coins I have to spend an entire day saving up for them. It really gets old once you get more coins than everyone else.",

A sequel to the "Coin Master" series was announced in 2013 titled Coin Master: Space Invaders "(Kasegi 3: Aratanaru Jettsuu)", previously known as "Coin Master 2." This sequel, which would feature the original coin-collecting gameplay, was originally scheduled to be released on April 27, 2014. However, it was released on July 2, 2014.",

In August 2016 Moon Active announced that they had signed an agreement with American Apparel to create a mobile game based on their popular clothing brand, Beanie Babies. The game is titled "Beanie Babies World Tour" and will be released in 2018. The game was reported to be available for the Apple App Store in February 2018.",

In June 2018 Moon Active announced that they had signed an agreement with Warner Bros Entertainment to expand upon Coin Master through multiple video game projects including a new mobile title, which was announced to be released as "Coin Master 4: DC's Justice League".",

Nice game by leonard1101 on 2017/12/27 22:34 I just got this game and even though I have not made much progress, it is fun to play. I like playing it at night because when you win it can be exciting. You can make all kinds of things happen with the farm and you will get better as long as you keep playing. Overall I would give it a five star rating but there are some things that should be changed one is that I would like it if we could buy more energy to play longer or if the maps were bigger so we could build more things in them. But besides that this game is fun and entertaining. I would recommend this game to anyone that likes farming or strategy games!'",
