When it comes to this premium feature, the player does not have to pay for membership in the Builder's Club (which is free) or spend money on Robux or Builders Club credits at any point during gameplay. All they have to do is purchase the premium feature and be in a Builders Club account.

This will give players some more insight on why stuff isn't in game yet or why stuff is in game. It will also give players a chance to be more involved with the company and make them feel like they are actually doing something. This would also help with bug reports and glitches because then we could ask questions about what's happening and how to fix it.
