Rated 4 out of 5 by Anonymous from fun and addicting! I like roblox because it lets you use your imagination for building things and it lets you play games made by other kids. Rated 3 out of 5 by Anonymous from Great game! Good game for all ages, but can take up a lot of memory space!

There were reports of auto-attack bots from a group called "ArtRage" which was hacked to attack other players in order to force them out of the game, and then to prevent them from ever returning. On April 12, 2014 there was a report from an Arianespace engineer that someone had been "hacking into rocket control computers and maneuvering vehicles on the ground". The players involved were reported to be ArtRage members.

You can unlock new gear for your character by completing different adventures or collecting coins from different obstacles in-game. The more you explore and play, the more prizes you get!

Roblox is heavily criticized for being an extremely time-consuming game. A player who wishes to play it must spend several hours creating content, which other players can then download and use. This has also been called "Binding loss".

There are also a lot of other Roblox Cheats and Hacks that are available on the internet so be sure to check everything out and see what works well for you.
