The Chat Room is an area where players can talk or text either with themselves or with other players. The chatroom is separated into different categories, depending on what players are doing. Normal chat rooms for most players will probably contain users asking different questions about the game as well as people chatting about their creations. Other chatrooms include a room where people can indicate whether they want someone to play their games or put them up for sale and a "Celebrity Chat" that allows known celebrities to visit and hang out in the chatroom.

All you have to do is just follow the instructions provided in order to generate unlimited Robux using the hack tool that it comes with. It is very easy and straightforward. Go to Rosetta Brothers Robux Generator. When you have gathered your Roblox Hack, you can verify it by going to the robux generator website or app and inputting the amount of robux that you want on your account. The hack should then let out a huge amount of robux that you can use to purchase items with as well as invest in weapons for your character if you wish.

They have also created a website called ROBLOX Studios which allows users to create and upload their own videos to YouTube in order to advertise their videos as well as doing tasks that can be made money such as editing videos, building websites, etc.[47]

All developers can have a Builder's Club account. However, some games require payment in order to purchase the Builder's Club membership itself, or for Builders who want more than one account per Builder's Club.

Rated 4 out of 5 by Anonymous from This game was fun When I first started at roblox I was a bit confused because I did not know how to play it. After some minor confusion, I got the hang of this game and it was really fun! Rated 4 out of 5 by Anonymous from Alright This game concept is great but has a lot of ads which is very annoying. The gameplay kinda ruins the whole thing. All for the ads though. Rated 4 out of 5 by Anonymous from Amazing game Roblox is so much fun, almost like real life! The only thing I don't like is the suggestion for the game to make it more realistic, but that's just my opinion. I think this app could be a 5/5 but unfortunately there are a lot of annoying ads. Rated 4 out of 5 by Anonymous from add more features I would recommend this app to other people because there's a lot of different games and you can play them all. I give this app 4 stars because there's only one problem the app keeps on closing on an add opens up I end up getting logged off and then I have to log back in again and then I start the game over the add pops up again so you can't play with out the game closing BUT besides that it's a great app! Rated 4 out of 5 by Anonymous from Sim It's a pretty good game, since I can pretend that it's real life. I don't like how you have to download things, though. There are also a lot of bugs. Rated 5 out of 5 by Anonymous from roblox Roblox is the best game ever you can do so much with your imagination it's like real life. If you have a roblox account me and my friend joshdoe1234 will be happy to join your games and become your friend. But do not accept random people as friends because they will ruin your game. Rated 4 out of 5 by Anonymous from roblox review This is the best game I have ever played before it's like a real life adventure it's fun and you can play with friends and you get to be whoever you want. There are all kinds of concepts there's my little pony, space, adventure, roblox is awesome so get started I am telling you right now that this app was the best thing I've ever played before it's awesome! Rated 4 out of 5 by Anonymous from Add green locks I love this app because of how much fun there is! The green locks are one of my favorite features. I just wish you could edit your place in real time, like on ROBLOX. I have put a lot of work into my place and it takes forever to change when I travel there. Rated 5 out of 5 by Anonymous from roblox Roblox is awesome!!! The only problem is some glitches when I press play on them sometimes they won't work or crash. It's great!! And if you are reading this in 2018 roblox will be coming out for the Xbox! Rated 4 out of 5 by Anonymous from It's pretty good I can't play it at school tho because we can't get any data. i love the game but it's so frustrating waiting for more data usage. Rated 4 out of 5 by Anonymous from roblox It's so cool, I love that you can be whoever you want. I think you should make the game even go more places. I know there is a lot now but if it goes to much we could get bored of it. Rated 5 out of 5 by Anonymous from roblox review This game is so good and easy, but one thing is that sometimes it doesn't work and people don't know how to repair glitches Rated 4 out of 5 by Anonymous from roblox review The game is fun and i love the green locks! But there are glitches where sometimes the name or whatever you put in won't come up. Please fix this glitch. This game keeps me occupied when i am bored but is hard to play at school because there's no wifi. But its fun and addictive and i love it! Rated 5 out of 5 by Anonymous from roblox review I think roblox is a really good game. I think that you should add more then 4 players on a server because if u have 30 people that want to play you have 2 just sit there and off line and not know what to do. Like I said before more than 4 players on a server please. I also think you should add no lag and or slow down in the game or else it will be boring Thank You Rated 3 out of 5 by Reviewer123 from Issues I love this game but there is problems. There is no chat bar it makes me mad because everyone talks with each other on mics and get mad at them for not being in game but they don't know because there's no chat bar.
