They say content is king, and this statement could not be more accurate for Roblox. Why? Because on Roblox, players are able to make their own games within the game itself! These games are called "games" or "sims," and they can be accessed from a GUI called "The Catalog." There are tons of free games that players have created and uploaded for others to play. In order to play these games, you have to purchase them using free robux. You can also make your own game and make it either free for others to play or charge for everyone else to play.

They have also created a website called ROBLOX Studios which allows users to create and upload their own videos to YouTube in order to advertise their videos as well as doing tasks that can be made money such as editing videos, building websites, etc.[47]

Not all games are created equal and often we see them develop at an incredibly fast pace which makes us believe that this process will be smooth and easy but it doesn't always happen that way: first of all, people often have unrealistic expectations for themselves and secondly they forget to look at what others are doing and how the market reacts to new games.

Rated 5 out of 5 by Anonymous from Creating games is awesome! I like playing ROBLOX because I can create my own game and put it on the store. It's really fun! Rated 4 out of 5 by Anonymous from Awesome game I like playing ROBUX for ROBLOX because: It helps me learn some things in my life. You can build anything you want in ROBLOX (houses, cars, etc.) You can play with friends and have fun You can play with your friends in the same room It has a lot of places on ROBLOX that you can go. For example: McDonald's

On February 4th 2019, ROBLOX released some updates for their Studio 2.1.
